UP TO **LOVE**

Welcome Home

We are a community of love and openness that's filled with questioners, seekers and believers; in other words, there is a place for everyone no matter where you are on your faith journey. We offer three distinct worship opportunities from September through June and two in July and August. We are a church that believes in having fun together, learning together, serving together and actively supporting our local community. We also have numerous educational opportunities for each person to explore their faith including Sunday School for kids, activities for young people, and various book studies for adults. We look forward to seeing you soon!
